

Spin to Win

Unlock the secrets of synergy as you spin, collaborate, and achieve greatness.

Spin to Win also known as Wheel of Fortune is a team building activity inspired by the popular TV game show. Once the wheel lands on a category or challenge, the team has to work together to answer a question or complete a task related to that category. The questions or tasks can be tailored to fit the goals and objectives of the team building activity, and can be fun and light hearted, or more skill-based and related to the work environment.

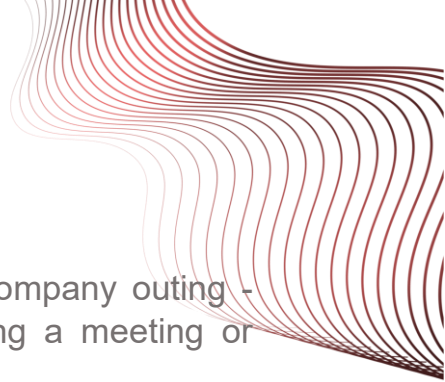

How it Works:

Teams will work together to solve a variety of trivia questions across different categories. The team captain of the first team spins the wheel to determine the category or challenge. They have a set amount of time to answer the question or complete the task. Once they guess the correct letter or answer the player will spin the wheel to earn points.
