

Crime Scene

Navigate through a virtual world, investigate crimes, and solve mysteries with your team.

Crime Scene Investigation is an immersive team-building activity where participants become detectives in a virtual reality crime scene. Teams work together to analyze evidence, gather clues, and interview suspects to solve the complex case. This thrilling experience challenges critical thinking, problem-solving, and communication skills in a realistic virtual environment.

How it Works:

Using state-of-the-art virtual reality technology, participants step into the shoes of detectives in a virtual crime scene.

Teams collaborate to examine the evidence, collect clues, and conduct suspect interviews. They must utilize their critical thinking, problem-solving, and communication skills to solve the case within a time limit.

The virtual environment presents realistic scenarios and unexpected challenges, testing the team's ability to adapt and work under pressure. After the activity, teams debrief to reflect on their strategies, teamwork, and communication.
